

# Clear Lake Recreation Area Paving Project

Project made possible through the Secure Rural Schools and Communities Self-Determination Act.

This project, completed within two weeks, improved access to visitors by enhancing the parking areas at both the resort and the day-use site within the Clear Lake Recreation Area 70 miles east of Eugene.

Existing gravel surface parking areas were paved over. The newly paved parking areas are clearly delineated to accommodate vehicles more efficiently. They were also designed to better control sediment runoff that previously ran directly into the lake.

*Parking area before paving.*

*Parking area after paving.*

- **Total Project Cost:** \$65,000
- **Title II Funding:** \$65,000
- **Employed:** 15-20
- **Type of Project:** Infrastructure
- **County:** Lane
- **Year Awarded:** 2004
